

Spill The Wine

Michael Hutchence

(Todos escuchen, esta es una fantasia de vino y mujeres
los suenos de todos los hombres, hecho realidad
vamos todos a tomar este vino...)

I was once out strolling one very hot summer's day
When I thought I'd lay myself down to rest in a big field of tall grass
I lay there in the sun and felt it caressing my face
As I fell asleep and dreamed
I dreamed I was in a Hollywood movie and that I was the star of the movie
This really blew my mind, the fact that me, an overfed, long-
haired leaping gnome
Could be the star of a movie...Hmmm...
There I was, well I was taken to a place, the hall of the mountain king
I stood high upon a mountain top, naked to the world
In front of every kind of girl, (bueno, dime que pasa)
There was long ones, tall ones, short ones, brown ones
Black ones, round ones, big ones, crazy ones...
Out of the middle, yeah, came a lady
She whispered in my ear something crazy
She said, hey baby, hey baby:

Spill the wine and take that pearl
Spill the wine and take that pearl, come on
Spill the wine and take that pearl
Spill the wine and take that pearl

I could feel hot flames of fire roaring at my back
But she disappeared, soon she returned
In her hand was a bottle of wine, in the other, a glass
She poured some of the wine from the bottle into the glass
And raised it to her lips
And just before she drank it, she said:

Spill the wine and take that pearl, come on
Spill the wine and take that pearl
Spill the wine and take that pearl
Spill the wine and take that pearl, take that pearl, come on
Spill the wine, spill the wine, spill the wine, spill the wine
Spill the wine and take that girl, ha
Spill the wine, spill, spill spill spill spill the wine, come on
Spill the wine, baby! Ow! Check! Uh!
Check it out, check it out, check it out, check it out, mmm yeah
Spill the wine, spill the wine, hey, mmm, girl, mmm, girl

Spill the wine and take that pearl
Spill the wine and take that pearl
Spill the wine and nobody knows
Hey! Help! Help! Help! Help!
Spill the wine, spill the wine, spill the wine, ow!
Spill the wine and take that pearl
Spill the wine and take that pearl, uh
Take take take take take take...Ow!
Ah ah ah ah hey hey yeah yeah that's right, take that pearl
Hey huh, gotta tell ya, spill the wine
Spill the wine, spill the wine, spill the wine, spill the wine
Ugh! That's the right! Spill! Spill it, baby!
Woo woo woo woo woo woo b-r-lacch! Huh huh uh

Spill the wine and take that girl
She used to be my baby, she whispered in my ear
Spill the wine and take that girl
Spill the wine and take that pearl
Spill the wine...Spill the wine...Spill the wine...
