

Give Me Wings

Michael Johnson

He asked her, "What gift can I bring you
to prove that my love for you is true
I want to make you mine forever,
there's nothing in this world I would not do.
She said, "Anything I've wanted you have given willingly
so now there's only one thing that I need...
If you love me, give me wings. Don't be afraid if I fly.
A bird in a cage will forget how to sing,
If you love me, give me wings."
He walked over to the window, and silently stared into space.
He said, "I just want to protect you, cause this world is a dangerous
place."
She put her arms around him, she said, "I know you mean well
but there's lessons I must learn for myself...
If you love me, give me wings. Don't be afraid if I fly.
A bird in a cage soon forgets how to sing
you can trust me, give me wings.
If you really love me, give me wings.
She said, "Up above the clouds you can see forever.
I know you and I can learn to fly together."
If you love me, give me wings. Don't be afraid if I fly.
A bird in a cage will forget how to sing,
if you love me, give me wings
If you really love me... give me wings.
Give me wings.
