

Do I Remember a Life?

Michael Kiske

I once was a blue eyed
I once dreamed I was free
I once dived in a life spending sea
And heard the voice of the priest

I once heard the angels
Singing the song of the cross
There was no fear, no doubts in our hearts
No soul could ever get lost

I prayed to the heavens above
I reached for the sky full of love
Awaited the luminous sign
To hear what's heard by the pure-restless mind

Now you can see me return
I look for the priest to make me learn
Will I remember the past?
Make me return to the best!

Do I remember a life?
In the dark age of time?
I hear it call in my dreams
Maybe I was not alone?
Maybe I called friends my own?
Together hearts full of love!

I know my heart says the truth
Maybe it was me and you?
I got to return to the wind
This world is never our home
Somewhere I left friends alone
Can someone show me the way?
Do I remember a life?

There once was the mystery
That now sings in my heart
The fire in my veins talks so loud about the past
About the place where the love for our hearts starts

We once moved through the cold fields
Strong and save led by the gods
The voices in the wind sang the children to sleep
Free spirits looked clear through the dark

I pray to the heavens above
I reach for the sky full of love
I wait for the luminous sign
To hear what's heard by the pure-restless mind

I see the twelve around the ONE
The mystery truth to carry on
A fight against the strong earth-kings
The sungod's light we had to bring

Do I remember a life?
In the dark age of time?

I hear it call in my dreams
Maybe I was not alone?
Maybe I called friends my own?
Together hearts full of love!

I know my heart says the truth
Maybe it was me and you?
I got to return to the wind
This world is never our home
Somewhere I left friends alone
Can someone show me the way?
Do I remember a life?

Oh, god! Help me to understand me
Guide me through visions I see
So far
You carry my soul back in time
The past shows the future to climb
Oh, god! Did I once be there by your side?
Will I once return to your light?
So far - Away from this world leads your love
My heart gets the wings of a dove and flies
Oh, god! Help me to sing you this song
I pray for your kingdom to come -
