

Attack Of The Mad Axeman

The Michael Schenker Group

Sneaking round the back streetsd, don't stay out to late
cause he's got something he want's to give to you
He calls in his dreams, with his phantom screams
Hide from the shadows in the night, only day will save you

Gotta watch the attack of the mad axeman
He can take you anytime he pleases
He wants to make you bleed

Around town his laughter sounds, deep into the night
that flash of knife in the flickering lights for you
He knows when he's down but he's got to have more
Cause he thrives on excess celebration!

Gotta watch the attack of the mad axeman
He can take you anytime he pleases
He wants to make you bleed

Time after time, in the wings, you can see him
He's only looking for fun, in his dreams, Ah...
Time after time, in the wings, you can see him
He's only looking for fun, in his dreams, Ah...
