

Brave New World

The Michael Schenker Group

I've been down this road before
Like a fool coming back for more
But I need what you have in store
I'll be coming through your open door

I have seen those clouds of rain
In the open desert sky
I have tried to ease the pain
And spread my wings and fly

Sometimes I feel like crying
When it falls from my hand
And all our kingdoms turn to sand

But these are the days of wonder
This is our brave new world
This is the spell we're under
This is our brave new world

When you close your weary eyes
And you think of what you had
Then the web of hurt and lies
Has changed from good to bad

Sometimes I feel like dying
When I reach for your hand
And all my kingdoms turn to sand

These are the days of wonder
This is our brave new world
This is the spell we're under
This is our brave new world

What is the meaning of it all
What are we waiting for
Is it the calm before the storm
Tell me what lies behind that door

Brave new world

This is our brave new world
