

Competition

The Michael Schenker Group

I picked a place to call my home
The baddest choice i'm still alone
But here i'll stay
Trashed the place the night before
Next door neighbours on my door
What do they say

Hey you just won the competition
Baby it's time in the old tradition
Maybe it's time to be on a mission now

Was invited for one drink,
a little longer then you think
Now we start to play
Want your pictures on my wall
Cannot wait until you call
Your'll make my day

Hey you just won the competition
Baby it's time in the old tradition
Maybe it's time to be on a mission now

Feel time is moving on
Stepped out the danger zone
Here i am here to stay
Gonna be alright ok!

Hey you just won the competition
Baby it's time in the old tradition
Maybe it's time to be on a mission now
