

Terms Of Surrender

Michael Stanley

From "Coming Up For Air", 1996, Intersound Music

One song... one kiss
One more night to hold you
These are all the things I'll miss
when darkness comes...

(CHORUS:)

Oh these... are my terms
of surrender
Hey these... are my terms
of surrender...

One smile... one touch...
One more time around you
All I ask is not that much
'til darkness comes...

(BRIDGE):

You know there's a moment in time
when your heart's never felt
quite so true...
And you were that
moment of mine
That moment was you...

(CHORUS)
