Terms Of Surrender

Michael Stanley

From "Coming Up For Air", 1996, Intersound Music

One song... one kiss One more night to hold you These are all the things I'll miss when darkness comes...

(CHORUS:) Oh these... are my terms of surrender Hey these... are my terms of surrender...

One smile... one touch... One more time around you All I ask is not that much 'til darkness comes...

(BRIDGE):

You know there's a moment in time when your heart's never felt quite so true... And you were that moment of mine That moment was you...

(CHORUS)
