

# Love Me Good

Michael W. Smith

Sometimes I feel like this world is just one big gigantic merry-go-round  
You gotta hold on tight or you get hurled through the air  
Yeah, life is a 3 ring circus With clowns and freaks and camels and such  
And you never know when you might be attacked by the bears

Give me love, give me love  
Love me good  
Give me love, give me love  
Love me good

Sometimes I feel like I'm afraid of my own shadow and then  
Sometimes I can feel as bold as Gengis Khan  
But I could never live in a yurt on a diet of Mongolian barbeque  
I conquer the world for a moment Then the moment is gone

Give me love, give me love  
Love me good  
Give me love, give me love  
Love me good

Give me love, give me love  
Love me good  
Give me love, give me love  
Love me good

Let us take a moment now to bow our heads and pray  
if only to give thanks for making it through another day

Sometimes I wish I was in a movie or some 70's TV thing  
Where everything gets neatly wrapped by the end of the show  
Yeah, but this ain't Hollywood and this sure ain't the Brady Bunch  
and how this plot's gonna all pan out I don't really know

Give me love, give me love  
Love me good  
Give me love, give me love  
Love me good

Give me love, give me love  
Love me good  
Give me love, give me love  
Love me good

Give me love, give me love  
Love me good  
Give me love, give me love  
Love me good
