

# Waiting For The Past

Michał Bajor

I am falling in the fire  
Can feel the burning deep inside  
I am fighting tough in the night time  
With ya secret ghosts, they're by your anxious side  
And you know I know the way that you're feeling  
And I know you know I want to start again

Wait a minute, can't you see love is for eternity (that  
I'm wounded fatally)  
Yeah, I'm falling on my kness, I'm praing now  
Come and save me right way, I can't wait another day  
I can't get you off my mind, I'm dying now

I keep on talking to the Gods  
Can hear their voices in the air  
I am watching for that single sign  
It's the waiting I can never really bear
