

Straight Jacket

Michale Graves

I guess you want me to believe
That all the things I think I believe
Are bad for me
It's hard to breathe
But I'm not scared
Help please
I think I'm coming down
And I can see
What's in front of me
You say, that I'm the one who's crazy
I'm the one who's crazy
And needs to be restrained
So just wait'll I
Get out of my, straight jacket
Ooh, my straight jacket

I hope your planning
Just how you will survive
It's hard to breathe
But I'm not scared
Help please
I think I'm coming down
And I can see
What's in front of me
You say, that I'm the one who's crazy
I'm the one who's crazy
And needs to be restrained
So just wait'll I
Get out of my, straight jacket
Ooh, my straight jacket
