

You'll Be On My Mind

Michel Polnareff

Ahh, you're on my mind, yea
I'm thinking about you
Girl how I miss you
Baby ever since that day you went away, yes
I can't live without you

Always on mind
You're always on my mind
You're always on my mind
Girl you're on my mind

I gave you all
Of me
And now your not here to see
Nothing will ever change
My love remains the same, yeah
I can't wait to see you again

If I don't see you today I hope I'll see you tomorrow
Girl I've got to let you know
How I feel yeah yeah
This love is real
And I don't want to fool myself, no
It belongs to you and no one else
