

# Desperately

Michelle Branch

There's something 'bout the way  
You looked at me  
Made me think for a moment that  
Maybe we were meant to be  
Living our lives separately  
And It's strange that things change when I've been wanting you  
so desperately

Oh, I cannot ignore it,  
I keep giving in,  
But I should know better  
'Cause there was something 'bout the way you looked at me  
And it's strange that things change when I've been wanting you  
so desperately

You looked my way, you said "you frustrate me"  
Like you're thinking of lines and times when you and I were you  
and me  
You took our chance out on the street  
Well you missed my chance and chances are  
It won't be coming back to me

Oh, I cannot ignore it,  
I keep giving in,  
But I should know better  
'Cause there was something 'bout the way you looked at me  
And it's strange that things change when I've been wanting you  
so desperately  
So desperately... ho

Oh, I cannot ignore it,  
I keep giving in,  
But I should know better  
'Cause there was something 'bout the way you looked at me  
And it's strange that things change when I've been wanting you  
so desperately  
I want you so desperately, oo oo oo

I keep giving in,  
But I should know better  
I keep giving in,  
But I should know better  
So desperately  
I want you so desperately
