

# In the Starlight

Michelle Chamuel

I've heard no so many times but still I won't let go.  
Told me not to even try, but I'm still back for more.  
Oh, 'cause I know that this is not impossible,  
I can become what they can't behold, together we are.  
Get ready 'cause...

Here we come again,  
We're the spotlight takers.  
Here we come again,  
In the starlight we shine.  
Here we come again,  
We're the spotlight takers.  
Here we come again,  
In the starlight we shine.

Every moment passing by is for someone like us.  
Take the doubt inside your mind and turn it into dust.  
(Cause) Oh, I know that this is not impossible,  
We can become what they can't behold, together we are.  
Get ready 'cause...

Here we come again,  
We're the spotlight takers.  
Here we come again,  
In the starlight we shine.  
Here we come again,  
We're the spotlight takers.  
Here we come again,  
In the starlight we shine.

I don't want to mess this up, we've only got a chance.  
I hope that we can rise above - be bright together.  
Get ready cause...
