

## Brand New Drug

Michelle Darkness

wake up in the morning  
My eyes are blinded by the light  
Everything feels so boring  
I need to get my kicks tonight - Alright!

My dealer was calling  
She said there's brand new stuff in town  
I followed without warning  
I hope she will not drag me down - No, no!

You make my day  
You make me feel like  
You make me feel like a brand new man  
I celebrate this day forever  
You make me feel like a brand new god

I found my love in the morning  
What happened to me last night  
I cannot recall it  
But it made me feel alright - Alright!

You make my day  
You make me feel like  
You make me feel like a brand new man  
I celebrate this day forever  
You make me feel like a brand new god

Never look back at the old days, babe  
Faster and faster, you're all I got  
I wanna be with you forever  
I'm addicted to the max
