

# Fearless

Michelle Williams

Life is a runaway  
Burnin' out every day  
You can take a path  
But you can't love it anyhow  
I know you're scared of heights  
But take the jump anyway  
Then you won't regret it, no

'Cause there's a passion  
Movin' at the speed of light  
We're fightin' the challenge  
Of troubles deep inside  
Every nation  
Standin' side by side  
That don't mind givin'  
Givin' the best of life

'Cause I'm fearless, oh  
'Cause I'm fearless, oh  
'Cause I'm fearless (Hopeless I can't go)  
'Cause I'm fearless, oh

If the sun won't set today  
Will you still find your way  
Even if you've been rejected  
[?]  
We fall into the lust of those  
There's still a place you can go  
And you won't regret it, no

'Cause there's a passion  
Movin' at the speed of light  
We're fightin' the challenge  
Of troubles deep inside  
Every nation  
Standin' side by side  
That don't mind givin'  
Givin' the best of life

'Cause I'm fearless, oh  
'Cause I'm fearless, oh  
'Cause I'm fearless (Hopeless I can't go)  
'Cause I'm fearless, oh

Dreams show us each chapter read  
The dreams show us you're meant to paddle  
It's yours, reach out and grab it  
The dream's yours, you're meant to have it

It's yours, reach out and grab it  
The dream's yours, you're meant to have it  
It's yours, reach out and touch it  
The dream's yours

Because there's a passion  
Movin' at the speed of light  
We're fightin' the challenge

Of troubles deep inside  
Every nation  
Standin' side by side  
That don't mind givin'  
Givin' the best of life

'Cause I'm fearless, oh  
'Cause I'm fearless, oh  
'Cause I'm fearless (Hopeless I can't go)  
'Cause I'm fearless, oh
