

# It's Good To Be Here

Michelle Williams

Just another day's journey  
And I'm glad about  
Got my health and my strength  
I can shout about  
Somebody didn't make it  
They can't testify today  
That's why I'm so grateful  
And I'm mighty well to say

It's good to be here  
It's good to be here  
It's good to be here  
It's good to be here  
It's good to be here  
It's good to be here  
It's good to be here  
It's good to be here

So good  
Yes it is  
I'm so grateful  
So Good

Got the love of my family  
And all of my friends  
Won't take them for granted  
I'll always treasure them  
See tomorrow is not promised  
Enjoy life today  
And Always remember  
To be thankful and say

It's good to be here  
It's good to be here  
It's good to be here  
It's good to be here  
It's good to be here  
It's good to be here  
It's good to be here  
It's good to be here

It's good to be here  
Good to see another day  
So faithful  
So grateful  
So good to be here, so good to be here  
I'm so happy  
Overjoyed  
To be here (oh)  
I'll always remember  
To be thankful and say (hey)  
So good to be here  
Got a smile on my face

Giving honor to GOD  
Who is the head of my life  
So good to be here, so good to be here

I want to thank him for the good  
The bad, the happy, the sad, the ups and down  
The laughs, the frowns

It feels so good  
It feels so good  
It feels so good  
To see another day  
I could have been dead (uh huh)  
Should have been gone  
But you kept me here  
A little while longer  
I got all girl friends  
And all my guy friends  
And all my cousins  
God all my family  
And my girls DC  
So good, so good to be here  
So good
