

# All This Time

Michelle

This time yesterday,  
I thought I was gonna die,  
Standing at the edge,  
Of my ordinary life.  
Now I'm looking far ahead,  
I only see clear blue skies,  
I hope this feeling lasts,  
Until the end of the time.

Now I don't see the things that bring me down, like I used to (no),  
There were times I felt like giving up, but we came through

All this time, we've come a long long way,  
I waited a life time for today,  
I'm praying this moment's here to stay,  
All this time, when everyone else said I was wrong,  
You gave me a reason to be strong,  
You gave me the will to carry on,  
All this time  
I kiss(?) my moods away,  
Yesterday's far behind,  
All these clouds have died,  
A crater on my mind,  
I was looking far ahead,  
I'm looking with brand new eyes,  
Well, I can't see the future,  
But I know it's looking bright,

Never thought we could survive, but we've come through (no),  
There were times we felt like giving up, but we held through

All this time, we've come a long long way,  
I waited a life time for today,  
I'm praying this moment's here to stay,  
All this time, when everyone else said I was wrong,  
You gave me a reason to be strong,  
You gave me the will to carry on,  
All this time  
It's like a second chance at life,  
So many people passing by,  
And you know it's a shame,  
'Cause they can't believe,  
So they don't and they won't even try,  
With every battle that's been won,  
With every little thing I've done,  
But I couldn't see, it's not clear to me,  
All this time, we've come a long long way
