You cats looking broke

You only slang words to the raps that you wrote

I could'ntbe a lame

It wouldn't be the same

With my go supers on like I'm puttin on a chain (damn)

The strings never tied

So please stop trippin

Posers can't stop it

STOP IT! Posers can't stop it

Pockets full of old bills

Bill me if I waste time

Tick tick tick chime

Ching ching chinglin

Tigers rings ringlin

Brothers who's peepin brothers

Jeez louis close the shutters

And I didn't get the studder

Steve quad in fizzack  
Don't bite my izz-ass  
Piss ass

Miss me with the di-dap  
Cool kids you need landing gear where we be at  
Fly like a rock toss  
Float like a soap box  
High top box  
Called air jordan 6  
Black hawks home jersey  
Sittin at home  
If you ain't rockin n rollin  
Your a tugboat floatin

What's up baby  
Catch up on the lesson  
And I be teachin all you wierd  
Like a beard on a lady  
What's the latest baby  
(Hit) hit me on my pager  
Goin down like the faders  
When the mix too loud  
I always push the envelop  
Mailman karl malone  
Stop and delivery  
Is always COD  
You don't wanna 3-on-3  
Can't win  
Speacially when it's  
Me, Chuck Inglesh, And Mickey of the GFC  
So early retirement is never bad  
Get your rest  
Every picture that I'm in is picture-ess  
Tryna get it to the point I don't even take snapshots no more  
Cause they payin me for silouhettes  
No flash photography  
If you don't mind  
Co-signed and I am diggin like a gold mine  
Let me propose a toast  
To everybody on the boat  
Top shelf champaign rain  
And we stay afloat

[Chorus]
