

Here Comes The Hurt Again

Mickey Gilley

Here comes the hurt again you'd think I'd learn
The more that I believe in love the more I get burned
I'm lying right here again so close to the flame
Here comes the hurt again but I'm used to the pain

I want to say I love you but this is not the time
And even though I'm holding you but I know he's still on your mind
Someone else you're hiding behind your tender smile
And I've been hurt like this before but honey not in quite a while

Here comes the hurt again you'd think I'd learn
The more that I believe in love the more I get burned
I'm lying right here again so close to the flame
Here comes the hurt again but I'm used to the pain
Here comes the hurt again but I'm used to the pain
