

True Love Ways

Mickey Gilley

Just you know why,
Why you and I
Will by and by
Know true love ways.

Sometimes we'll sigh,
Sometimes we'll cry,
And we'll know why,
Just you and I
Know true love ways.

Throughout the days
Our true love ways
Will bring us joy to share
With those who really care.

Sometimes we'll sigh,
Sometimes we'll cry,
And we'll know why
Just you and I
Know true love ways.

Throughout the days
Our true love ways
Will bring us joy to share
With those who really care.

Sometimes we'll sigh,
Sometimes we'll cry,
And we'll know why
Just you and I
Know true love ways.

Know true love ways.

Know true love ways...
