

Dead Set

Middle Class Rut

You're set in so many ways
Dead set in so many ways
And you're free in so many ways
You can't stay locked up forever

You're set in so many ways
Dead set in so many ways
You're free in so many ways
You can't stay locked up forever

A long time ago
I would've like to know
If I could break this case
That I would be OK, YEAH!!

You're set in so many ways
Dead set in so many ways
You're free in so many ways
You can't stay locked up forever

But how would you even know?
When all you get is what you got?
So, how could you even know?
When all you get is what you...
...OH, is what you got?

You're set in so many ways
Dead set in so many ways
You're free in so many ways
I won't stay locked up forever!!!
