

## Everybody Loves A Winner

Middle Of The Road

If you want to tell me what I'm supposed to know  
I listen to you carefully so the two of us can show  
And if I whisper to you and this is what you hear  
Always want you near.  
That I tell you that I love you and  
Everybody loves a winner  
Oh oh oh  
And nobody wants to know is it me  
See  
I love you so.  
Maybe this time we'll come together you and I will live forever  
Hold me close and tell me we can't lose  
Oh oh oh everybody loves a winner . . . . .
