

Fade to Grey

Midge Ure

One man on a lonely platform One case sitting by his side Two e
yes staring cold and silent Shows fear as he turns to hide.

Ohoh... We fade to grey, Ohoh... We fade to grey, Ohoh... We fa
de to grey, Ohoh... We fade to grey, Ohoh... We fade to grey, O
hoh... We fade to grey...

Feel the rain like an English summer Hear the notes from a dist
ant song Stepping out from a back-
drop poster Wishing life wouldn't be so long

Ohoh... We fade to grey, Ohoh... We fade to grey, Ohoh... We fa
de to grey, Ohoh... We fade to grey, Ohoh... We fade to grey, O
hoh... We fade to grey
