

# Miss You

## Midnight Panic

I don't want to be here  
There's no place like home  
We're miles apart, I'm torn

The absence makes my heart grow fonder baby  
I miss your warm embrace  
I miss you so much (I miss you so much)  
I wish you could be next to me  
I miss you so much (I miss you so much)  
You fill the void inside of me

A world away from me  
Hearts can also beat  
We've all been torn apart  
Cause I will trust my heart

The absence makes my heart grow fonder baby  
I miss your warm embrace  
I miss you so much (I miss you so much)  
I wish you could be next to me  
I miss you so much (I miss you so much)  
You fill the void inside of me

I miss you so much (I miss you so much)  
I wish you could be next to me  
I miss you so much (I miss you so much)  
You fill the void inside of me  
I miss you so much (I miss you so much)  
I wish you could be next to me  
I miss you so much (I miss you so much)
