

# I Think She Got Me

Midnight Red

I think she got me

She's got a million dollar body  
with a smile that makes you want her (want her)  
I think I want her (want her)  
And when she step up in the party  
Everybody's eyes are on her  
She knows they want her

Its like I'm losing control  
I just cant help it at all  
This never happened before  
I swear I never let it go  
Yeah I try to deny  
But now I finally realize  
When I look in her eyes  
I'm in trouble

I think she got me  
No I cant see tonight  
I think she got me (I know she got me)  
When I look in her eyes  
I think she got me (I know she got me)  
I think she got me  
I, I think she got me (I know she got me)  
I think she got me  
I, I think she got me (I know she got me)

She got a crazy sexy attitude that makes me want to know her  
I got know her  
And she can get with any guy she want  
but I'll be Casanova  
Yeah I'ma show her

Its like I'm losing control  
I just cant help it at all  
This never happened before  
I swear I never let it go  
Yeah I try to deny  
But now I finally realize  
When I look in her eyes  
I'm in trouble

I think she got me  
No I cant see tonight  
I think she got me (I know she got me)  
When I look in her eyes  
I think she got me (I know she got me)  
I think she got me  
I, I think she got me (I know she got me)  
I think she got me  
I, I think she got me (I know she got me)

She got a crazy sexy attitude that makes me want to know her  
I got know her  
And she can get with any guy she want  
but I'll be Casanova

Yeah I'ma show her

She really got me (she got me)  
No I cant see tonight  
I think she got me (I know she got me)  
When I look in her eyes  
I think she got me (I know she got me)  
I think she got me  
I, I think she got me (I know she got me)  
I think she got me  
I, I think she got me (I know she got me)

No I cant see tonight  
I think she got me (I know she got me)  
When I look in her eyes  
I think she got me (I know she got me)  
I think she got me  
I, I think she got me (I know she got me)  
I think she got me  
I, I think she got me (I know she got me)
