Help Me Sleep

Shut this thing off I can't take Anymore The weight is gone Still I can't Let it go I can't take anymore Is this all we are Can you help me sleep again My body's numb What I touch Turns to stone The more I learn The less I know The more I'm lost I can't take anymore Is this all we are Can you help me sleep again Make me forget all 'Cause I can not remember anymore Anymore
