

Here Comes The Gun

Mig 21

Good evening there
I am knocking on your front door baby
Open your heart

Good evening there
A cheesy entertainment baby
So let me start

And just
Look whats giving your shelter
Look whats setting your free

Zooming at you
I call you LADY SEXY baby
Feels like a crime

I am bombing you
Come leave your comfly bunker baby
Don't waste your time

And just
Look whats giving your shelter
Look whats setting your free

Through the sun
Comes my gun
MIG 21

Here comes the gun
Through the sun
Comes my gun
MIG 21
Here comes the gun
Here comes the gun

I'll get you high
I'm supersonic fighter like a
Plane in the sky

Strating you by
My chaika laika balalaika
Don't ask me why

But just
Look whats giving your shelter
Look whats setting your free

Through the sun
Comes my gun
MIG 21

Here comes the gun
Through the sun
Comes my gun
MIG 21
Here comes the gun
Here comes the gun

Chaika - laika
Chaika laika balalaika
Chaika - laika
Chaika laika balalaika
Chaika laika balalaika
Mig mig twenty - one
Ooh run run run
Ooh run run run
Yeaa

Look whats giving your shelter
Look whats setting your free

Through the sun
Comes my gun
MIG 21

Here comes the gun
Through the sun
Comes my gun
MIG 21
Here comes the gun
Here comes the gun
