

Circles

Mike Doughty

When you were languishing in rooms I built to foul you in
And when the wind set down in funnel form and pulled you in

I don't need to walk around in circles
walk around in circles, walk around in circles
walk around in

Don't need to walk around in circles
walk around in circles, walk around in circles
walk around in

When the ghostly dust of violence traces everything
And when the gas runs out just wreck it, you insured the thing

I don't need to walk around in circles
walk around in circles, walk around in circles
walk around in

Don't need to walk around in circles
walk around in circles, walk around in circles
walk around in

Oh when I woke up, this morning, and got out of bed
I had some really fresh thoughts running through my bed
They were the laws, that came from a wonderful dream
It was a vision of the world working as a team

It was a doomp dah doomp dah doomp, doda doiada doi

doomp dah doomp dah doomp, doda doiada doi

doomp dah doomp dah doomp, doda doiada doi

Closing time. Blah blum blah blah blah blah.
Let you out into the world.

Everybody needs a bosom for a pillow. Everybody needs a bosom
Everybody needs a bosom for a pillow. Mine's on the 45

I can call you Betty. and, Betty, when you call me you can call me Al

Drunk on Crist, Mommy's on E
Can't keep her little model hands off me
Both in the club, I'm singin' off-key and
I wish I never met her at all

But I can't sigh now that you made the move
It has gone and gone to dogs, lay down on the floor

For the right price I can get everything
Slip into the car, go driving to the farthest star

I don't ... to ... around with Erkle.
walk around with Erkle
walk around with Erkle

I don't need to walk around in circles

walk around in circles, walk around in circles
walk around in

dont need to walk around in circles
walk around in circles, walk around in circles
walk around in

dont need to walk around in circles
walk around in circles, walk around in circles
walk around in
