

Déjà Vu

Mike Posner

Let's go back, I know it's been a minute
But I can do it better than I did when I did it
You were loving me, I was loving you
You can come over and we can have déjà vu
We could have déjà vu
You could come over and

I'm probably gonna compliment your hair do
Right before we mess that shit all up
(Mess that shit all up)
I used to keep you out way past your curfew
Look at me now, I'm all grown up
(Look at me now, I'm grown up)
She was reminiscing in her mind
I'm just trying to make up for lost time
But we acting nervous
Cause we've been here before

Let's go back, I know it's been a minute
But I can do it better than I did when I did it
You were loving me, I was loving you
You can come over and we can have déjà vu
We could have déjà vu
You could come over and

I'm probably gonna compliment your outfit
(Your outfit)
Right before you take that shit all off
(Take that shit all off)
Member we would sneak out of our houses?
(Our houses)
Look at us now, we're all grown up
(Yeah baby, look at us now, we're grown up)
She was reminiscing in her mind
I'm just trying to make up for lost time
But we acting nervous
Cause we've been here before

Let's go back, I know it's been a minute
But I can do it better than I did when I did it
You were loving me, I was loving you
You can come over and we can have déjà vu
(Déjà vu) We could have déjà vu (déjà vu)
You could come over and

Nothing much has changed
You still feel the same
Don't pretend like you don't
Want to like I do
I know you think about
What it would feel like now
Come over, let's make a new memory

Let's go back, I know it's been a minute
But I can do it better than I did when I did it
You were loving me, I was loving you
You can come over and we can have déjà vu

(Deja vu) We could have deja vu (deja vu)
You could come over and
