Mike Stud

Pen Griffey
With the pen dog, I'm Ken Griffey
I'm just saying dog
I ain't even bring a pen with me
Met you at the ballgame of all places
Yeah I met her at the ballgame of all places

Yeah I met her at the ballgame
We was going up
I was watching one of my dogs play, then you showed up
That's exactly what it was
You know that's how it was
Yeah you see my double cut shorty
Like to party (yeah)
Gotta have it how she gotta have it shorty (yeah)
Had to happen how it had to happen shorty
We were still a hit though

Yeah I met her at the ballgame, we was going up
I was watching one of my dogs play 'till you showed up
You know that's just what it was
Ain't that exactly what it was
Yeah I met her at the ballgame watching one of my dogs play
We drank beer like all day, then we hit up Broadway
She's a cheat-day
I ain't a cheapskate
So I iced out

Ain't that funny, it's a laugh
Ain't that funny, it's a laugh
I hit that backdoor, Usain Bolt on the dash
Yeah I'm cold
Yeah I'm cold like the draft (lil baby)
Yeah I'm gone, yeah I'm gone just like that
It's a date, I didn't know it was that
It's okay I left her a note on your dash
'Cause we both livin' fast
Lil' baby, I've been big steppin'
Rather be a big walker
Big talker, but I can tell you how it happened
Let me tell you baby, let me tell you how it happened
Let me tell you babe

Yeah I met her at the ballgame, we was going up
I was watching one of my dogs play 'till you showed up
You know that's just what it was
Yeah, you know that's just how it was
Yeah I met her at the ballgame, we was going up
I was watching one of my dogs play 'till you showed up
You know that's just what it was
Ain't that exactly what it was
Yeah I met her at the ballgame watching one of my dogs play
We drank beer like all day, then we hit up Broadway
She's a cheat-day
I ain't a cheapskate
So I iced out
So I iced out

She a cheat-day
I ain't a cheapskate
So I iced out my double cup shorty
Like to party
Gotta have it how she gotta have it shorty
Had to happen how it had to happen shorty
We were still a hit though
Yeah I met her in the ballgame of all places
Yeah I met her in the ballgame
