

# Mirrors on the Ceiling

Mike Stud

All I need is just a minute  
I can tell you how I'm feeling  
Yeah I swear that I can sit here with you all night  
I can see you catching feelings  
From the mirrors on the ceiling  
And I'm liking what I'm seeing, ah

Hold the phone I'll be right back  
I'll be right back  
When I'm gone we can Skype sex  
I know you like that  
When you text me Imma write back  
I'm talking right back  
Weed and liquor on my nightstand  
But please don't mind that no  
'Cause I smoke, I drink  
You too, okay  
If I'm gone in the morning  
No problem just stay  
It goes both ways  
Those games we play  
We're hot then were cold  
Say we're gone but we stay

And you ain't the type of chick that want attention  
But I can give you more than you're expecting  
And we ain't got the time to second guess it  
Yeah I could fuck you right and be your best friend

All I need is just a minute  
I can tell you how I'm feeling  
Yeah I swear that I can sit here with you all night  
I can see you catching feelings  
From the mirrors on the ceiling

Look, you know what the vibe is  
You the one I vibe with  
You the bomb dot com when I log in  
I showed you all my cards yeah I'm all in  
Even though from time to time  
I'm petty like Tom is  
Even though I know, I know I suck to fight with  
Always gotta find a way to win like Tom did  
So every time we arguing  
You call I let it go for like five rings

But you know Imma always get the message  
You try to hold me down and I respect it  
But I'm just making plays don't get defensive  
You know Imma fuck you right and be your best friend

All I need is just a minute

Bottom line when I'm top of you  
I don't think I've had a better view  
You know I ain't like these other dudes  
I'm on a wave and you can ride it to  
You a real one  
All the rest I had to fake  
Never closed off  
Even when I had you naked  
You a shot in the dark  
But I had to take it  
And I made it, yeah

All I need is just a minute  
I can tell you how I'm feeling  
Yeah I swear that I can sit here with you all night  
I can see you catching feelings  
From the mirrors on the ceiling  
And I'm liking what I'm seeing, ah
