Like a picture, hanging on the wall  
Always hanging on  
Always in the frame  
And I never change  
But she wanted me to change  
Like a picture, like a picture  
Like a picture, hanging on the wall  
Always hanging on  
Always in the frame  
And I never change  
But she wanted me to change  
Like a picture, like a picture

But I ain't john mayer, play the guitar for y'all  
Got a job full of good incase it go bad  
I got what you want, got that shit you like  
Got a gelato, roll a big blunt for y'all  
She gon' call me up, we gon' pipe down, it's all love  
Her friends don't fuck with me, fuck them, they all suck  
I got what you want, she got what I like  
Maybe not right now

Like a picture, hanging on the wall  
Always hanging on  
Always in the frame  
And I never change  
But she wanted me to change  
Like a picture, like a picture  
Like a picture, hanging on the wall  
Always hanging on  
Always in the frame  
And I never change  
But she wanted me to change  
Like a picture, like a picture

Like a flick, flick  
Well...  
You drove me up a wall, and hung me out to dry  
Saw what I saw, I ain't gotta tell you why  
I think you forgot I was standing right there  
Just like you forgot I was standing right there, yeah  
Yeah you drove me up a wall, and hung me out to dry  
Saw what I saw, ain't gotta tell you why  
It's like you forgot I was standing right there  
Can't believe you left me standing right here, yeah  
Wow-wow-oh-oh

Like a picture, hanging on the wall  
Hanging on by a thread 'cus I don't wanna fall  
Is it okay to fall if you tired?  
If I'm tired of hanging...  
Like a picture, hanging on the wall  
Hanging on by a thread 'cus I don't wanna fall  
'Cus I'm tired, I'm tired of hanging, wow
