

# Started from the Bottom

Mike Stud

Gravel road on an island, who knows where I'm headed?  
Hope the driver do I've got a dinner date at seven  
Landed, then I planned it, then I cancelled, cause I can  
And I don't care about no deal, and no advances, I'm a cancer  
I just ball ho, yeah I balled ho  
Got a show up in your city and they all go  
I'm on stage, front row? Yeah, it's all hoes  
You in the crowd blending in like fucking Waldo, awe no  
That make you mad don't it?  
Got a couple bad bitches at my spot looking at my dick trying to go half on  
it  
Get a beat, then I spazz on it  
Got these hoes touching me like a motherfucking sad moment  
I just want it all, but really can you blame me?  
Got my lawyer on retainer cause these labels trying to play me  
You can't see behind the scenes, but it's getting kind of crazy  
Did a show in Cincinnati, did you see me signing babies?

Skip dinner, I'm just trying to get my buzz right  
Holding hands with this money, fuck a love life  
But I got hoes in every city  
And really so does Blue, cause he's always fucking with me  
Got a girl from back home, she just hope I don't forget her  
CEO the team, but I'm working like an intern  
Yeah, three racks in my jeans, that's Andre  
I really do it, you just fake it like Beyonce  
And I'mma spend it like I had to  
If I was you, and you were me, well fuck it I'd be mad to

Started from the bottom now my whole team fucking here

No new friends, homie we don't feel that  
Fuck a fake friend, where you real friends at?  
We don't like to do too much explaining  
Story stays the same I never changed it  
No new friends, homie we don't feel that  
Fuck a fake friend, where you real friends at?  
We don't like to do too much explaining  
Story stay the same through the money and the fame
