

I'm in the club, high off purp', with some shades on  
Tatted up, mini skirt, with my J's on

Drinking out the bottle, I got no respect

If you a lame, that's a shame you can't hang with us  
I'm MC Hammer fly, you can't touch  
J's so fly I should work at Flight Club

Put on my J's and dance the whole night away  
I'm naughty by nature like I'm hip-hop hooray  
My hands in the sky, I wave 'em from side to side  
My feet on the floor, I'm 'bout to turn up now

I'm in the club high off purp' with some shades on

More kicks than the players, call me up I'm scorin'  
Hit it like a free throw, tongue out like I'm Jordan  
Smiley, Miley, come swing the thing right by me  
Gotta a joint if you wanna get stoned, got choppers if they wanna try me  
Pro athlete I'm not no wannabe  
Waitress asked how many bottles? I said 23
