

# Can't Take Away

Mikeschair

All around  
All of us  
Fear has come and so we must  
Ask ourselves  
In who we trust  
What we have here  
Is not enough  
So let it ring  
In freedom sing

You can take away  
Everything that I've been holding  
You can take away the sun  
You can take away the very air that I've been breathing  
But you can't take away my God  
Oh, my God, my God

Waves will come  
And winds will blow  
But it's not here I've found my hope  
My beating heart  
My weary soul  
Is held by one who won't let go  
And so I'll cling  
To You my King

You can take away  
Everything that I've been holding  
You can take away the sun  
You can take away the very air that I've been breathing  
But you can't take away my God  
Oh, my God, my God

A hope that can't be lost  
A love that can't be bought  
You can't take away my God  
Nothing high or low  
Nothing you can control  
You can't take away my God

You can take away  
Everything that I've been holding  
You can take away the Sun  
You can take away the very air that I've been breathing  
But you can't take away my God

No you can't  
No you can't  
Take away my God  
No you can't  
No you can't  
No you can't  
Take away my God, Oh My God, My God.
