

# Redemption Song

Mikeschair

People are singing in the streets  
Singing a timeless melody  
Of how love came down, the lost were found  
Here the sound of Christmas  
Come celebrate the King

Everyone sing along  
This is our redemption song  
Love has come, love has come to save us (to save us)  
Emmanuel, is here now  
Go and tell the broken hearted  
Love has come, love has come to save us  
So sing along

(Hallelujah) This is our redemption song  
(Hallelujah) Yeah!

This is the time to stop the noise  
Lay down your burdens, lift your voice  
And praise this Son, the Holy One, who rescued us  
It's Christmas let the world rejoice!

Everyone sing along  
This is our redemption song  
Love has come, love has come to save us (to save us)  
Emmanuel, is here now  
Go and tell the broken hearted  
Love has come, love has come to save us  
So sing along

(Hallelujah) This is our redemption song  
(Hallelujah) Yeah!

(Hallelujah) Emmanuel  
(Hallelujah) He is with us  
(Hallelujah) Emmanuel  
(Hallelujah) Oooooohhh!

Everyone sing along  
This is our redemption song  
Love has come, love has come to save us (to save us)

(Hallelujah) This is our redemption song  
(Hallelujah) Yeah!

(Hallelujah) This is our redemption song  
(Hallelujah) Oooohhhooo!

(Hallelujah) This is our redemption song  
(Hallelujah) 6
