

# Chained

Mikky Ekko

I watched you breathe in  
And I wished you'd stop  
Only for long enough  
Long enough

It's hard to say  
Separate or combine  
I ask you one last time  
One last time

Yeah

Did I hold you too tight?  
Did I not let enough light in?  
Enough light in?  
Oh, oh, oh

If a feeling appears  
If your mind should sway  
It's not a secret you should keep  
You know, I won't let you slip away

'Cause  
We used to be closer than this  
We used to be closer than this  
We used to get closer than this  
Is it something you missed?

We used to be closer than this  
We used to be closer than this  
We used to get closer than this  
Is it something you missed?

Oh  
Is it something you missed?  
Oh

Winged or chained  
I ask you, would you have stayed?  
Did I hold you too tight?  
Did I not let enough light in, light in?

Winged or chained  
I ask you, would you have stayed?  
Did I hold you too tight?  
Did I not let enough light in, light in?

Oh, oh

Winged or  
Winged or  
Chained, chained, chained, chained  
Winged or  
Winged or  
Chained, chained, chained, chained  
Chained, chained, chained, chained
