

# Disappear

Mikky Ekko

Every time I close my eyes  
I feel I cannot turn back  
Every time I close my eyes  
I want to fall back into you

So long, fresh breath of innocence  
So long to the life we used to know  
'Cause every time I close my eyes  
I want to disappear with you  
And I hope you want to disappear, too

Stay and come out of the rain  
Colder as the years go  
Warm yourself again  
Yeah, low, the sun is sinking  
Colder as the years go on  
Oh, on yourself again

So long, fresh breath of innocence  
So long to the life we used to know  
'Cause every time I close my eyes  
I want to disappear with you  
And I hope you want to disappear, too

I hope you want to disappear, too  
I hope you want to disappear

Every time I close my eyes  
Every time I close my eyes  
I want to disappear with you  
And I hope you want to disappear, too

I hope you want to disappear, too  
I hope you want to disappear
