

# What About Next Time

Milburn

You say that you dont know,  
But i think you do,  
There's clearly something wrong,  
There's clearly something wrong with you.

I really do not mean to pry,  
But this just seems so silly,  
How can the truth become a lie,  
Just so it means you're winning

(You don't know what you're doing wrong)  
I can see it in your eyes,  
(You don't know what you're doing wrong)  
You cant shy away,  
(You don't know what you're doing wrong)  
Or cover up you misdemeanours with anything you say,

When you want you know you can be as good as gold,  
But try telling that to the bloke who owns the phone that you've just  
stole,

I try to say you're doing wrong,  
But you choose to ignore me,  
You say you dont need anyone,  
But i know a different story,

(You don't know what you're doing wrong)  
I can see it in your eyes,  
(You don't know what you're doing wrong)  
You cant shy away,  
(You don't know what you're doing wrong)  
Or cover up you misdemeanours with anything you say,

(You don't know what you're doing wrong)  
I can see it in your eyes,  
(You don't know what you're doing wrong)  
You cant shy away,  
(You don't know what you're doing wrong)  
Or cover up you misdemeanours and it's not your fault because if no-  
one got hurt what's all the fuss about you say,

But what about next time?

(Oh you don't know what he's doing wrong, oh you don't know)  
I can see it in your eyes,  
(Oh you don't know what he's doing wrong, oh you don't know)  
You can't shy away,  
(Oh you don't know what he's doing wrong)

So what about next time?
