

It's hard to be with you  
Too hard, that's what she said  
So long, that's what she said  
So long  
I'm through, I've closed the door  
Don't come, that's what she said  
So long, that's what she said  
So long  
'Cause we're through  
But you keep coming back  
So hard, so strong  
So long, that's what she said  
So long  
'Cause we're through  
But you keep coming back  
So hard, so strong  
So long, that's what she said  
So long  
So long, so long  
It's hard to be with you  
Too hard, that's what she said  
So long, that's what she said  
So long  
I'm through, I've closed the door  
Don't come, that's what she said  
So long, that's what she said  
So long  
'Cause we're through  
But you keep coming back  
So hard, so strong  
So long, that's what she said  
So long  
So long  
That's what she said  
She said, she said so long  
I'm gone  
I'm gone, I'm done, I'm done, I know  
It's hard, too hard  
So long, don't come  
We're through, I'm done  
So long, so long, I'm done
