

Kaka Boom

Miles Kane

You pull me apart
Now, you pull me apart
In a pool with the sharks
I fall from the start
A lion calling
In the morning
A lion calling
In the morning

I
I wanna know

I
I wanna know
Kaka boom
Kaka boom

A sinner should sway
A sinner should sway
You're backing away now
You're backing away
Your knight must go
Your knight must go to war
Your knight must go
Your knight must go to war

Yes I
I
I wanna know

I
I wanna know
Kaka boom!
Kaka boom!

Hey!

I
I wanna know

I
I wanna know
Kaka boom!
Kaka boom!
Kaka boom!
Kaka boom!
