

Night Runner

Miles Kane

I begin, I come out, of the trance
Take it in, took it out, took a chance
Strolling up, strolling on, hang it up
But I'm not chewing on your gums

So get out the way, get out the way, get out the way,
Get out the way, get out the way, get out the way,
Forget what I say, forget what I say,
Get out the way, get out the way, get out the way,
Night runner

Suck it up, spit it out, move it on,
Sing it loud, sing it sad, sing along,
Start it up, start it now, start again,
But I'm not picking up your gun

So get out the way, get out the way, get out the way,
Get out the way, get out the way, get out the way,
Forget what I say, forget what I say,
Get out the way, get out the way, get out the way,
Night runner

Get out the way, get out the way, get out the way,
Get out the way, get out the way, get out the way,
Forget what I say, forget what I say,
Get out the way, get out the way, get out the way,
Night runner,
Night runner, night runner
Night runner, night runner
Night runner, night runner
