

Nothing's Ever Gonna Be Good Enough

Miles Kane

I never thought I could feel this way
So much attention and so very little to say
The sun was out and you took me to the beaches
We listened to the peaches and I felt strangled today
Oh, but in a nice way

'Cause it's all I've got but will it ever be enough?
Nothing's ever gonna be good enough
Nothing's ever gonna be good enough
'Cause it's all I've got but will it ever ever be enough?
(Will it ever?)

I get myself into some sticky situations
Relationship consultations, convoluted affectations as well
You picked me up in Karl's Impreza
I dressed to impress you in my denim and leather Coco Chanel
Oh, can you tell?

'Cause it's all I've got but will it ever be enough?
Nothing's ever gonna be good enough
Nothing's ever gonna be good enough
'Cause it's all I've got but will it ever ever be enough?

Nothing's ever gonna be good enough
Nothing's ever gonna be good enough

Breaking down the barriers, everything in tatters
My vice is over tightened and girl you know I'm frightened
I gave you all I got, I ain't ever gonna stop
Will it ever be, ever be enough?

Nothing's ever gonna be good enough (Ooh, yeah)
Nothing's ever gonna be good enough
