

Wheels Of Fire

Milking the Goatmachine

Since The Dawn Of Time I've Rolled Across The Earth
Spinning In The Dust Long Before Your Birth
Eatin Tar And Gasoline Every Light I See Is Green
Open Pipes My Machine's Triple Plated Chrome

Spirit Of The Wheel

Wheels Of Fire Burn The Night Ride Across The Sky
Wheels Of Fire Burning Bright We Live To Ride

Motors Running Now You're Gonna Learn
Waitin On The Line Make Your Tires Burn
Fast Faster Faster Faster Speeding Always Kills
Nothing Else Takes Us To Get These Thrills

Spirit Of The Wheel

Wheels Of Fire Burn The Night Ride Across The Sky
Wheels Of Fire Burning Bright
We Live To Ride

Blood And Thunder On The Road My Heart Is Pounding
My Blood Is Nitroglycerine I'm Fire
Burning Burning Burning Burning
Ready To Explode
Don't Want Nothing Left Of Me To Scrape Off The Road

Spirit Of The Wheel

Wheels Of Fire Burn The Night Ride Across The Sky
Wheels Of Fire Burning Bright
We Live To Ride

Clouds Of Smoke Tires Screaming Fire In My Hair
Blown Into A Thousand Pieces Scattered Everywhere
Fast Burning Burning Faster wanna Take A Ride
Spirit Of The Wheel Wheels Of Fire Ride

Spirit Of The Wheel

Wheels Of Fire Burn The Night Ride Across The Sky
Wheels Of Fire Burning Bright
We Live To Ride
