

Doing Good

Milky Chance

Calling you lovable
How are you feeling now?
Making
Falling for you somehow

I can't refuse to walk along the lonely way
Wish I could leave you everytime, but all you say is

I'm doing, I'm doing, I'm doing, I'm doing, I'm doing, I'm doing so good
I'm doing, I'm doing, I'm doing, I'm doing, I'm doing, I'm doing so good

Calling you lovable
How are you feeling now?
Making it all above
Falling for you somehow

I can't refuse to walk along the lonely way
Wish I could leave you everytime but all you say is

I'm doing, I'm doing, I'm doing, I'm doing, I'm doing, I'm doing so good
I'm doing, I'm doing, I'm doing, I'm doing, I'm doing, I'm doing so good

Calling you lovable
How are you feeling now?
Making it all above
Falling for you somehow

I can't refuse to walk along the lonely way
Wish I could leave you everytime but all you say

I'm doing so good
I'm doing so good
I'm doing so good
I'm doing so good
I'm doing so good
