

Oh Mama

Milky Chance

Slowly we are falling through the cracks
It just feels like something we regret
Don't know what to do and how to act
Down on my knees
That's how it feels

Lately we've been covered by the past
But don't you think that we are made to last?
Rather than just stumbling in the dark
In the dark, in the dark

Oh when we get old mama, we think it was no drama
'Cause then we will know, it was better letting it go
Why couldn't it be just a little more easy to see, darling?
That would've been all, would've been all we needed to know

Sun is up the hillside, us being blue-eyed
Sea is on a low tide
Trouble on the inside

So far we've been trying to see the light
So hard, Missing it was truly bright
Surely right, feelings tight
Picking up the call on my mind and saying
Oh ma, why is everything so messed up?
Anyway we made it so far
What are we chasing? True Love?
How does it feel like?
Remedy,
So it can only be
As strong as the force of your fantasy
Forever more? It's gonna be a mystery

Oh when we get old mama, we think it was no drama
'Cause then we will know, it was better letting it go
Why couldn't it be just a little more easy to see, darling?
That would've been all, would've been all we needed to know

Mama Drama

Oh when we get old mama, we think it was no drama
'Cause then we will know, it was better letting it go
Why couldn't it be just a little more easy to see, darling?
That would've been all, would've been all we needed to know
