Reaching From Nowhere

Milla Jovovich

How can I be telling you my thoughts, my love When even I don't know what I'm thinking? How can I explain the way your eyes Burn into my mind, my love?

For when you talk to me
I'm blind 'cause you set me free and
And you hold me and your fingers
Touching me

What if we decide to break these walls? This from me, the builder Can we give this love a fair chance? And only cease when it fades

And when I see your face Locked in my memory And, and you hold me And I'm giving up to you

Reaching from nowhere Feeling for your hands Screaming out your name Nearing towards you

Reaching from nowhere Feeling for your hands Screaming out your name Nearing towards you

Reaching from nowhere Feeling for your hands Screaming out your name Nearing towards you Nearing towards you
