Uh, (don't cry) just follow me for a second Le let me take you all some place

I remember When I was young my momma said she was goin out You see the problem is she was always going out Grandma mad cuz my mama left us in the house She was grown but granny thought she was showin out Know you sayin damn they ain't shit to be mad to My momma told me well that she did what she had to But see I ain't like that she was datin the bad dudes So everytime she went out I gave her an attitude Yeah I was straight throwin a tantrum Try to mess up her plans I was hopin she cancel But ain't nobody told her what she could and she can't do Yeah ma I was a handful so yeah I cried and I cried and I tried to show her my said But she wasn't hearin her kid took the key to the crib Out the door she wavin bye bye She had me thinking that my tears meant nothin' Years later found out it means something You see all those nights mama left me alone I had to learn how to stand on my own (2 feet)

Don't cry don't cry don't cry it'll be alright
You only get one chance to live yo life
Up and down homie enjoy yo ride
And don't cry don't cry don't cry it'll be alright
You only get one chance to live yo life
Up and down homie enjoy yo ride (don't cry because it's okay)

So now I'm grown up rap performer Give thanks to the mirror where I practiced so much Thats to my grandma after so much Sacrifice I feel so loved And this is to my auntie ann cuz I be damned If I ever said can't when I probly can To my brother my blood my right hand man Won't hesitate to put my life in yo hands And this is to my young sis 2 cuz nothing could stop you Roy hand and troy p I ain't forgot you My uncle joe and serita even my pops to If I'm on top then we on top to Chris and b you know that I got you Will and ill c you know that I got you The whole 6-4 you know that I got you Black get yo hustle on I can't knock you C-1 slim and k b Niggas in the hood that failed to pay me I still got love for you niggas don't know why So I know the meaning of when mama said don't cry

Don't cry don't cry don't cry it'll be alright You only get one chance to live yo life Up and down homie enjoy yo ride
