## All That I Am

## Mindy McCready

I can be tough, I can be tender Strong as a saint, weak as a sinner But when I'm in your arms I'm so complete You bring out what's inside of me

A woman with a mind, a body with a soul A heart full of love that won't let go I love the way you understand All that I am

I'm a member of the modern world But sometimes I'm still an old fashioned girl You make me laugh, you let me cry I finally found a man who's not afraid to try

A woman with a mind, a body with a soul A heart full of love that won't let go I love the way you understand All that I am

I hold on as long as I can and keep loving you with all that I  $_{\mbox{\scriptsize am}}$ 

A woman with a mind, a body with a soul A heart full of love that won't let go I love the way you understand All that I am
